SpaceArm
Smart, scalable, flexible

With its unique gas-lift system, SpaceArm is one of the strongest, most durable monitor arms on the market. Its flexible design means that SpaceArm can be adapted to meet new demands, from adding extra monitors to supporting different screen sizes.

SpaceArm combines style with value and efficiency.

Why choose SpaceArm?

Scalable and future proof
You can swap components of your standard SpaceArm to create other configurations, without changing the whole product. This includes the Laptop Stand and Flyt touchscreen arm.

Adjustable
Simple to adjust, whether you're sitting or standing.

Sustainable design
SpaceArms can be reused, re-purposed and recycled.

Customisable
Options to support:

- All sizes of monitors
- Many different mounting requirements
- A wide range of working postures
- Monitor weights from 0.9 – 13.6kg
- Any colour preference

Reduced clutter
Integrated cable management keeps wires tidy and easy to access.

Future-proof designs   Customised solutions   Customer support   Product continuity   Lifetime guarantee   Sustainable solutions

SpaceArm features

SpaceArm has a number of unique features to create a flexible, reliable and robust solution.

1 Quick-change mount option allows monitors to be changed quickly and efficiently. There is also a direct mount option for added security

2 Patented constant pressure joint offers 360° movement

3 Plastic clips hold cables securely and allow ease of movement

4 Vertical reach up to: 558mm
Horizontal reach up to: 692mm

5 Gas spring holds the monitor in position and can support weight ranges 0.9 – 13.6kg

6 Adjustment screw offers accuracy and reliability for counterbalancing monitor weight

7 Powder coat polymer is tough, durable and easy to clean

8 Rotational stop prevents monitor from swinging too far

9 Easy to upgrade from a single arm to double or multiple arms, without changing the base

"We always recommend the Adapt SpaceArm monitor arm to our customers. We've not once needed to return a SpaceArm or received a complaint in all the years we've worked with Adapt, this demonstrates a consistently high product quality. The quick and easy order process and customer service that we receive from Adapt Global is second to none."
Bernt Bøgh CEO of Norlink
