

Desk Toolrails

SpaceBeam

Organise your workspace

SpaceBeam toolrails are ergonomically designed to keep your work items within easy reach, helping you work efficiently and productively. Using a SpaceBeam increases valuable desk space and helps keep workspaces organised.

Our SpaceBeam range can easily be installed to any workstation as a single or two-tier toolrail. They are available with a range of accessories such as shelves, document trays, pen holders and much more. They are also compatible with Adapt's SpaceArm monitor arm system and Wave LED task light range.

Why choose SpaceBeam?

Space Saving

SpaceBeam lifts items off the worktop, freeing up valuable desk space.

Choice of mounting options

With a wide range of mounting options to choose from, SpaceBeam can be mounted to virtually any workstation.

Compatible with ergonomic range

Including SpaceArm monitor arm system, Wave light and a wide range of accessories to enhance the workspace.

Customisable

SpaceBeam can be customised in the following ways to suit your workstation requirements:

- Length
- Height
- Tiers: choose from one or two-tier options
- Sides: choice of single or double-sided options
- Colour: Available in Black, Platinum or White
- Wide range of mounting options
