Recipients of personal data

In the scope of our business activities, we cooperate with various external parties. In some cases, this also requires the transfer of personal data to these external parties. We only disclose personal data to external parties if this is required as part of the fulfillment of a contract, if we are legally obligated to do so (e.g., disclosure of data to tax authorities), if we have a legitimate interest in the disclosure pursuant to Art. 6 (1)(f) GDPR, or if another legal basis permits the disclosure of this data. When using processors, we only disclose personal data of our customers on the basis of a valid contract on data processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract handed over to you or to a third party in a common, machine-readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

Information about, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data at any time. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data instead of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.
- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from “http://” to “https://” and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

Rejection of unsolicited e-mails

We herewith object to the use of contact information published in conjunction with the mandatory information to be provided in our Site Notice to send us promotional and information material that we have not expressly requested. The operators of this website and its pages reserve the express right to take legal action in the event of the unsolicited sending of promotional information, for instance via SPAM messages.

4. Recording of data on this website

Cookies

Our websites and pages use what the industry refers to as “cookies.” Cookies are small data packages that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them, or they are automatically eradicated by your web browser.

Cookies can be issued by us (first-party cookies) or by third-party companies (so-called third-party cookies). Third-party cookies enable the integration of certain services of third-party companies into websites (e.g., cookies for handling payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of these cookies (e.g., the shopping cart function or the display of videos). Other cookies may be used to analyze user behavior or for promotional purposes.

Cookies, which are required for the performance of electronic communication transactions, for the provision of certain functions you want to use (e.g., for the shopping cart function) or those that are necessary for the optimization (required cookies) of the website (e.g., cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6(1)(f) GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of required cookies to ensure the technically error-free and optimized provision of the operator’s services. If your consent to the storage of the cookies and similar recognition technologies has been requested, the processing occurs exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR and § 25 (1) TDDDG); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete-function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited.

If other cookies and services are used on this website, you can find this information in this privacy policy.

Consent with Complianz

Our website uses Complianz’s consent technology to obtain your consent to store certain cookies on your device or for the use of certain technologies and to document this consent in a manner compliant with data protection regulations. The provider of this technology is Complianz B.V., Kalmarweg 14-5, 9723 JG Groningen, the Netherlands (hereinafter “Complianz”).

Complianz is hosted on our servers, so no connection to the servers of the provider of Complianz is established. Complianz stores a cookie in your browser in order to be able to allocate the consents granted to you or their revocation. The data collected in this way is stored until you request us to delete it, delete the Complianz cookie yourself or until the purpose for storing the data no longer applies. Mandatory legal storage obligations remain unaffected.

Complianz serves to obtain the legally required consent for the use of cookies. The legal basis for this is Art. 6(1)(c) GDPR.

Server log files

The provider of this website and its pages automatically collects and stores information in so-called server log files, which your browser communicates to us automatically. The information comprises:

- The type and version of browser used

- The used operating system
- Referrer URL
- The hostname of the accessing computer
- The time of the server inquiry
- The IP address

This data is not merged with other data sources.

This data is recorded on the basis of Art. 6(1)(f) GDPR. The operator of the website has a legitimate interest in the technically error free depiction and the optimization of the operator's website. In order to achieve this, server log files must be recorded.

Contact form

If you submit inquiries to us via our contact form, the information provided in the contact form as well as any contact information provided therein will be stored by us in order to handle your inquiry and in the event that we have further questions. We will not share this information without your consent.

The processing of these data is based on Art. 6(1)(b) GDPR, if your request is related to the execution of a contract or if it is necessary to carry out pre-contractual measures. In all other cases the processing is based on our legitimate interest in the effective processing of the requests addressed to us (Art. 6(1)(f) GDPR) or on your agreement (Art. 6(1)(a) GDPR) if this has been requested; the consent can be revoked at any time.

The information you have entered into the contact form shall remain with us until you ask us to eradicate the data, revoke your consent to the archiving of data or if the purpose for which the information is being archived no longer exists (e.g., after we have concluded our response to your inquiry). This shall be without prejudice to any mandatory legal provisions, in particular retention periods.

Request by e-mail, telephone, or fax

If you contact us by e-mail, telephone or fax, your request, including all resulting personal data (name, request) will be stored and processed by us for the purpose of processing your request. We do not pass these data on without your consent.

These data are processed on the basis of Art. 6(1)(b) GDPR if your inquiry is related to the fulfillment of a contract or is required for the performance of pre-contractual measures. In all other cases, the data are processed on the basis of our legitimate interest in the effective handling of inquiries submitted to us (Art. 6(1)(f) GDPR) or on the basis of your consent (Art. 6(1)(a) GDPR) if it has been obtained; the consent can be revoked at any time.

The data sent by you to us via contact requests remain with us until you request us to delete, revoke your consent to the storage or the purpose for the data storage lapses (e.g. after completion of your request). Mandatory statutory provisions - in particular statutory retention periods - remain unaffected.

5. Newsletter

Newsletter data

If you would like to receive the newsletter offered on the website, we require an e-mail address from you as well as information that allows us to verify that you are the owner of the e-mail address provided and that you agree to receive the newsletter. Further data is not collected or only on a voluntary basis. For the handling of the newsletter, we use newsletter service providers, which are described below.

MailerLite

This website uses MailerLite to send newsletters. The provider is MailerLite Limited, "MailerLite", 38 Mount Street Upper, Dublin 2, D02PR89 Ireland (hereinafter „MailerLite“).

MailerLite is a service that, among other things, can be used to organize and analyze the sending of newsletters. The data you enter to subscribe to the newsletter is stored on MailerLite's servers.

If you do not want MailerLite to analyze your data, you must unsubscribe from the newsletter. For this purpose, we provide a corresponding link in every newsletter message.

Data analysis by MailerLite

MailerLite enables us to analyze our newsletter campaigns. For example, we can see whether a newsletter message was opened, and which links were clicked on, if any. In this way we can determine which links were clicked on particularly often.

We can also see whether certain previously defined actions were carried out after opening/clicking (conversion rate). For example, we can see whether you have made a purchase after clicking on the newsletter.

MailerLite also enables us to divide the newsletter recipients into different categories ("clustering"). The newsletter recipients can be divided according to age, gender, or place of residence, for example. In this way, the newsletters can be better adapted to the respective target groups.

Detailed information on the functions of MailerLite can be found at the following link:
<https://www.mailerlite.com/features>.

The MailerLite privacy policy can be found at:
<https://www.mailerlite.com/legal/privacy-policy>.

Legal basis

Data processing is based on your consent (Art. 6(1)(a) GDPR). You can revoke this consent at any time for the future.

Storage period

The data you provide us with for the purpose of subscribing to the newsletter will be stored by us or the newsletter service provider until you unsubscribe from the newsletter and deleted from the newsletter distribution list after you unsubscribe from the newsletter or after the purpose has ceased to apply. We reserve the right to delete or block e-mail addresses from our newsletter distribution list at our own discretion within the scope of our legitimate interest in accordance with Art. 6(1)(f) GDPR. This does not affect data stored by us for other purposes.

After you have been removed from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist will only be used for this purpose and will not be merged with other data. This serves both your interest and our interest in compliance with the legal requirements when sending newsletters (legitimate interest in the sense of Art. 6(1)(f) GDPR). There is no time limit on storage in the blacklist. **You can object to the storage if your interests outweigh our legitimate interest.**

Data processing

We have concluded a data processing agreement (DPA) for the use of the above-mentioned service. This is a contract mandated by data privacy laws that guarantees that they process personal data of our website visitors only based on our instructions and in compliance with the GDPR.

Newsletter mailing to existing customers

If you order goods or services from us and enter your e-mail address, this e-mail address may subsequently be used by us to send you newsletters, provided we inform you of this in advance. In such a case, only direct advertising for our own similar goods or services will be sent via the newsletter. You can unsubscribe from this newsletter at any time. There is a corresponding link in every newsletter for this purpose. In this case, the legal basis for sending the newsletter is Art. 6 (1)(f) GDPR in conjunction with Section 7 (3) UWG.

After you unsubscribe from the newsletter distribution list, we may store your email address in a blacklist to prevent future mailings to you. The data from the blacklist will only be used for this purpose and will not be merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6 (1)(f) GDPR). Storage in the blacklist is not limited in time. You can object to the storage if your interests outweigh our legitimate interest.

6. Plug-ins and Tools

YouTube with expanded data protection integration

This website integrates videos from the YouTube website. The operator of the website is Google Ireland Limited ("Google"), Gordon House, Barrow Street, Dublin 4, Ireland.

When you visit one of these websites on which YouTube is integrated, a connection to the YouTube servers is established. This tells the YouTube server which of our pages you have visited. If you are logged into your YouTube account, you enable YouTube to assign your surfing behavior directly to your personal profile. You can prevent this by logging out of your YouTube account.

We use YouTube in extended data protection mode. According to YouTube, videos that are played in extended data protection mode are not used to personalize browsing on YouTube. Ads that are played in extended data protection mode are also not personalized. No cookies are set in extended data protection mode. Instead, so-called local storage elements are stored in the user's browser, which contain personal data similar to cookies and can be used for recognition. Details on the extended data protection mode can be found here:

<https://support.google.com/youtube/answer/171780>.

After activating a YouTube video, further data processing operations may be triggered over which we have no influence.

The use of YouTube is based on our interest in presenting our online content in an appealing manner. Pursuant to Art. 6(1)(f) GDPR, this is a legitimate interest. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TDDDG, insofar the consent includes the storage of cookies or the access to information in the user's end device (e.g., device fingerprinting) within the meaning of the TDDDG. This consent can be revoked at any time.

For more information on how YouTube handles user data, please consult the YouTube Data Privacy Policy under:

Furthermore, the provider of the tool processes all the technical data required for the processing of the online communication. This includes, in particular, IP addresses, MAC addresses, device IDs, device type, operating system type and version, client version, camera type, microphone or loudspeaker and the type of connection.

Should content be exchanged, uploaded, or otherwise made available within the tool, it is also stored on the servers of the tool provider. Such content includes, but is not limited to, cloud recordings, chat/ instant messages, voicemail uploaded photos and videos, files, whiteboards, and other information shared while using the service.

Please note that we do not have complete influence on the data processing procedures of the tools used. Our possibilities are largely determined by the corporate policy of the respective provider. Purpose and legal bases

The conference tools are used to communicate with prospective or existing contractual partners or to offer

Furthermore, the use of the tools serves to generally simplify and accelerate communication with us or our company (legitimate interest in the meaning of Art. 6(1)(f) GDPR). Every company certified under the DPF is obliged to comply with these data protection standards. For more information, please contact the provider under the following link:

<https://www.dataprivacyframework.gov/participant/6474>.

Data processing

We have concluded a data processing agreement (DPA) for the use of the above-mentioned service. This is a contract mandated by data privacy laws that guarantees that they process personal data of our website visitors only based on our instructions and in compliance with the GDPR.

9. Custom Services

We offer website visitors the opportunity to submit job applications to us (e.g., via e-mail, via postal services on by submitting the online job application form). We assure you that the collection, processing, and use of your data will occur in compliance with the applicable data privacy rights and all other statutory provisions and that your data will always be treated as strictly confidential.

Scope and purpose of the collection of data

If you submit a job application to us, we will process any affiliated personal data (e.g., contact and communications data, application documents, notes taken during job interviews, etc.), if they are required to

make a decision concerning the establishment or an employment relationship. The legal grounds for the aforementioned are § 26 BDSG according to German Law (Negotiation of an Employment Relationship), Art. 6(1)(b) GDPR (General Contract Negotiations) and – provided you have given us your consent – Art. 6(1)(a) GDPR. You may revoke any consent given at any time. Within our company, your personal data will only be shared with individuals who are involved in the processing of your job application.

Afterwards the data will be deleted, and the physical application documents will be destroyed. The storage serves in particular as evidence in the event of a legal dispute. If it is evident that the data will be required after the expiry of the 6-month period (e.g., due to an impending or pending legal dispute), deletion will only take place when the purpose for further storage no longer applies.

Longer storage may also take place if you have given your agreement (Article 6(1)(a) GDPR) or if statutory data retention requirements preclude the deletion.
